Garden Club Meeting

Our newly formed Garden Club met last month with 10 members attending. The group decided its first project would be to enhance the entrance along Hidden Hills Parkway. Volunteers will be adding ground cover and grooming the wisteria at the entrance.

The group will meet the third Tuesday of each month for regular meetings at the Clubhouse at 6:30. Everyone is encouraged to bring a dish or finger food to snack on at the May 20 meeting. Bring a neighbor; the resident who brings the most neighbors will receive a door prize!

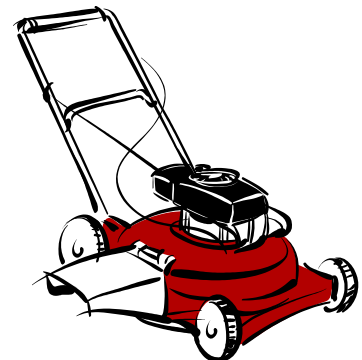

We will discuss future plans for the Garden Club and improvements to Green Spaces at this meeting. All ideas are welcome.

Eastside Drive Repair

Rankin County is preparing to repair the natural speed bumps along Eastside Drive. A subcontractor has been working to raise the curbs and gutters where needed and the county will be replacing and resurfacing the asphalt. Work could begin any day, so you might want to use one of the other Hidden Hills exits for ingress/egress.

Proper Grooming

Some of our yards could benefit from TLC after last weeks' storms. Hidden Hills sets a certain standard, and all homeowners are expected to maintain their yards, including grass, shrubbery, and flower beds, to keep us looking our best. Yards should be neatly mowed, sidewalks and driveways edged, dead plants removed, and present an overall neat, clean appearance.

Yard of the Month

Congratulations to Rick and Linda Stubblefield for being selected this month's Yard of the Month. The Stubblefield's live at 308 Gladeview Place.

[See the requirements for YOM here.](#) You could be the next winner!

Meet The Broome's!

Mark and Morgan Broome moved into Hidden Hills this past November. They have a two year old son, Cade, and a Springer Spaniel named Lucy. Mark, originally from Clinton, attended Delta State University where he played baseball and graduated with a degree in business. Mark now works for UniFirst Corporation and does yard work as a side job. Morgan grew up in the reservoir area (actually right down the road from Hidden Hills). She graduated with a business degree from MSU. Morgan works part time at Ridgeland Tennis Center and is also the dance team coach/choreographer for Brandon High School. She does choreography for other schools around the Jackson area. The Broome's attend Pinelake. They chose Hidden Hills because it is a great family oriented neighborhood and they are excited to raise their children here.

Pool News – Help ~~Wanted~~ **NEEDED!**

As you know, the board and all committees consist of volunteers. The Pool Committee needs HELP! During the summer, volunteers are asked to check the pool at closing (9pm). Your "job" would be to ensure bathrooms are locked, debris is removed from all three filters, water level is appropriate and make

sure the pool is straight and clean for the next day. As always, everyone is responsible for cleaning up after themselves and taking part daily in the maintenance of our facilities. We are look forward to many volunteers and a great summer. Please let [Heath Morrison](#) or [Pat Starnes](#) know if you will help.
