## July 2015 Newsletter

**Congratulations Wally and Randi Belokon**  
**421 Glendale Place**  
**July Yard of the Month**

### ARC Changes:

The Architectural Review Committee proposed changes to the ARC Guidelines, which the Board of Directors adopted at the June board meeting. Approved applications must be obtained from both the ARC and Rankin County Community Development Department for the addition of a swimming pool or storage building. This language was added to provide clarity, and was necessary due to the implementation of the county's new ordinances that were adopted in 2013. The approved application from Rankin County must accompany the ARC application. The ARC also provided guidelines regarding the installation of flags and flag poles. The changes may be read in full at <http://hiddenhillsowners.org/files/up534363.pdf>

# Fireworks Safety *for pets*

**Keep your pets secured INSIDE your home.** Even dogs in fenced yards find ways to escape the scary sounds.

**Give them a safe place to hide.** Set up a comfortable room or crate in your house just for them.

**Use ambient noise to mask the noise.** A radio or TV playing comforting music works well.

**Update their IDs & microchips** *(just in case).*

**Skip the celebration and stay home with them.** Sometimes your presence makes all the difference.

**Keep them busy.** Treat toys, like Kongs, can help distract them during the display.

## **Covenant Corner**

Garbage cans – cans should only be placed at the street immediately before Waste Management runs. In most cases, the night before is appropriate, and cans should be removed soon after garbage has been picked up. For most, that means when you come home in the afternoon. Trash cans should not be left at the street for days on end. At all other times, garbage cans should be shielded from view, either by placing in your garage or behind a screened enclosure.

**The Clubhouse will be closed Friday, July 3 in observance of Independence Day. We wish you all a very happy and safe holiday.**
